

We held a training and networking event on World Social Work Day. It provided an opportunity to engage with social workers in elder services, mental health, addictions services, homelessness, health professional and migrant services.

Social Workers from diverse backgrounds attended the event and discussed issues, shared lessons and recognised the commitment of participating social workers. The event helped to strengthen connections between, and effectiveness of, the participating organisations.

All attendees were awarded with medal of recognition and enjoyed shared meal.

Fully vaccinated attendees adhered to the COVID-19 protection framework .

WORLD SOCIAL WORK DAY 2022

Social Work is a very rewarding profession that focuses the lives of vulnerable families and communities.

World Social Work Day is an opportunity for social workers to highlight the contributions of their profession and celebrate their achievements as well as to raise awareness and support for the important role.

Social Workers from diverse backgrounds showed interest by registering and many of them have attended the event and discussed issues, shared lessons and recognized the commitment of participating social workers. The event helped to strengthen connections between, and effectiveness of, the participating organizations.

We had 30 seconds silence in remembrance of Christchurch attack by standing in solidarity and ensures the support our communities at all levels.

HOPE management team has given out medals of recognition to all social workers and other attendees for their valuable contribution in their communities.
