MESSAGE FROM THE CHIEF EXECUTIVE OFFICER

Dr. Khurram Malik

Chief Executive Officer

HOPE Worldwide-Pakistan

“

**Together, we are building
pathways to belonging,
independence, and dignity.**

”

It is with great pride and gratitude that I present the Annual Report of HOPE Worldwide-Pakistan for 2025–2026.

This year has been marked by resilience, growth, and meaningful impact. Despite ongoing challenges, including the housing crisis, rising living costs, and the complexities of refugee resettlement, our commitment to supporting vulnerable individuals and families has remained unwavering.

Through our Community Organization Refugee Sponsorship (CORS) Program, we have witnessed remarkable journeys of transformation. Refugees supported by HOPE are rebuilding their lives through education, employment, community participation, and growing independence. Their success reflects the power of opportunity, belonging, and collective support.

Beyond refugee resettlement, our Food Watch Program, Social Inclusion Program, accommodation support services, and community education initiatives have continued to strengthen communities and improve well-being across Auckland's diverse populations.

Guided by Manaakitanga and Whakawhanaungatanga, we strive to create welcoming environments where people feel respected, connected, and empowered. Through strong partnerships and dedicated volunteers, we continue to create pathways toward stability, inclusion, and opportunity.

I extend my sincere thanks to our volunteers, staff, board members, donors, partners, and supporters. Every achievement highlighted in this report is a reflection of your generosity, commitment, and belief in our mission.

Together, we are building stronger communities, creating opportunities, and fostering a more compassionate and inclusive Aotearoa New Zealand.

Thank you for your continued support.

Ngā manaakitanga,

ADVANCING THE SUSTAINABLE DEVELOPMENT GOALS

Creating Lasting Impact Through Community Action

HOPE Worldwide-Pakistan aligns its work with the United Nations Sustainable Development Goals (SDGs), ensuring Programs contribute towards a better, more inclusive future for all.

Through settlement support, housing assistance, and pathways to employment, we work to break the cycle of poverty.

Our Food Watch Program rescues quality surplus food and redistributes it to families and individuals who need it most.

We connect people to essential healthcare services, including GPs, midwives, and mental health support.

We support access to education through school enrollment assistance, English language learning, and skills training..

We foster inclusion through cultural exchange programs, advocacy, and community integration.

Through community engagement, accommodation support and cultural programs we strengthen social cohesion and create opportunities for people to belong and participate.

Through food rescue and furniture redistribution initiatives, we divert valuable resources from landfill and promote sustainable consumption.

By reducing food waste and encouraging reuse and recycling, we contribute to environmental sustainability and support climate-conscious community practices.

CORS
